MDW OFFICE SYMBOLS**

FOR THE COMMANDER:

**STEPHEN B. MASSEY
Colonel, GS
Chief of Staff**

DISTRIBUTION:

**A
B
C**

OFFICIAL:

**RICHARD R. MILLER
Acting, Adjutant General**

History. This publication was last printed on 20 February 1996. This printing publishes changes made since that date.

Summary. This pamphlet lists the current office symbols for the U.S. Army Military District of Washington (MDW) headquarters and subordinate installations, commands, and activities. It has been revised to include major changes in office symbols due to reorganization and restructuring at the headquarters and subordinate levels. Major revisions include addition of office symbols for Fort Hamilton Military Community and the newly established Office of the Deputy Chief of Staff for Support (DCSSPT) (merger of the offices of the Deputy Chief of Staff for Engineering and Housing and Deputy Chief of Staff for Logistics). This revision includes office symbols for the Chief Information Officer (CIO)/U.S. Army Signal Activity-MDW (formerly the Deputy Chief of Staff for Information Management), the new information technology operations centers (ITOCs), and the MDW Acquisition Center (MDWAC). It deletes all Fort Ritchie office symbols.

Applicability. This pamphlet applies to all elements of the MDW major Army command (MACOM).

Suggested improvements. The proponent of this pamphlet is the Chief Information Officer (CIO), MDW. Users are invited to send comments and suggested improvements on DA Form 2028 (Recommended Changes to Publications and Blank Forms), or in DA Form 2028 format if they are transmitted electronically, to Commander, MDW, ATTN: ANIM-PP, 103 Third Avenue, Fort Lesley J. McNair, DC 20319-5058.

Distribution and decentralized printing. This pamphlet is available on the MDW Intranet site at <http://mdwintranet.belvoir.army.mil>. Publication managers at MDW subordinate installations, commands, and activities may print adequate copies of this pamphlet for distribution to their subordinate activities that do not have access to the Internet. Maintain a copy of this pamphlet on file to provide re-supply when required.

1. Purpose

This pamphlet publishes all approved MDW office symbols. It includes office symbols for the MDW MACOM headquarters and subordinate installations, commands, and activities.

2. References

Related publications are listed below.

- a. AR 25-1, Army Information Management.
- b. AR 25-50, Preparing and Managing Army Correspondence.
- c. DA Pamphlet 25-40, Administrative Publications: Action Officers Guide.
- d. MDW Reg 10-87, Organization, Missions, and Functions of the U.S. Army Military District of Washington.
- e. MDW Reg 25-50, Preparing and Processing Correspondence.

3. Developing office symbols

a. The office symbol is developed for use in correspondence. It will be used as part of the address when forwarding correspondence and mail to, from, or within MDW. It identifies the originators of correspondence and other written communications. The MDW office symbols are constructed based on the command's organizational structure and approved changes, thereto, and should be consistent with the organizational structure shown in MDW Reg 10-87. See paragraph 4 for additional guidance on constructing MDW office symbols.

b. The Headquarters, MDW, Chief Information Officer (CIO), assigns and approves command office symbols. Submit all requests for proposed office symbols through appropriate channels to Commander, MDW, ATTN: ANIM-PP, 103 Third Avenue, Fort Lesley J. McNair, DC 20319-5058 or electronically to anim@fmmc.army.mil.

c. Changes to office symbols will be kept to a minimum. Do not change an office symbol solely because a MDW activity's name has been changed. Office symbols will be added or deleted when--

- (1) New organizational elements are created.
- (2) Existing organizational elements are terminated.
- (3) Organizational elements are divided or merged.

d. All changes in organizational structure should be coordinated with the Office of the Chief Information Officer, ATTN: ANIM-PP, prior to implementation, for assignment or deletion of office symbols.

e. Organizational elements should notify the mail and distribution centers of approved office symbol changes so that mail can be properly routed and distributed.

f. Proponents of MDW publications will not issue a change to a publication to correct or update office symbols. Make these minor changes when a publication must be amended or revised for the reasons stated in DA Pam 25-40, paragraph 1-11.

4. Construction of MDW office symbols

a. Staff principals, activity heads, directors, and commanders, or their designated appointee, may construct proposed office symbols for their organization. The activity records manager/coordinator or information management officer (IMO), if appointed, should be consulted during this process.

b. The MDW office symbols are constructed using the HQDA construction method as follows:

(1) Office symbols will contain no more than nine letters. Hyphens are placed between the fourth and fifth and the seventh and eighth letters. The first two letters of a MDW office symbol are always "AN." The third and fourth letters of the symbol represent the command group or staff principal office in Headquarters, MDW, or the subordinate installation, command, or activity. The fifth and sixth letters may represent the principal official in the headquarters or subordinate activity, command or installation or a staff division. The remaining letters of the symbol represent a staff branch, a sub-element or the next lower organizational element to a headquarters office or subordinate installation, command, or activity.

(2) The letter "Z" is used in the fifth position only for the immediate office of the staff director or activity chief, and their equivalents. The letter "Z" is normally used with letter "A" to represent an assistant or deputy to the staff director or activity chief

(3) The letter "X" is used only for an executive officer.

c. When you need a new or revised office symbol, begin by preparing a list outlining the organizational structure of the activity. Make sure the list is in descending order (i.e., begin with staff/activity head or commander, and work down the chain (division, branch, section, etc.)). Once accomplished, you may begin to construct your proposed office symbol according to paragraph b, above. Send your proposed office symbol through appropriate command channels to Commander, MDW, ATTN: ANIM-PP, 103 Third Avenue, Fort Lesley J. McNair, DC 20319-5058 or by e-mail to anim@fmmc.army.mil.

5. Office symbol listings

Appendixes A through C list office symbols for Headquarters, MDW (command group and MACOM staff), major installations and supporting staff, and subordinate commands and activities, respectively.
